*Unapologetically Uplifting Women*

## WELCOME!

Leadership isn't a performance.  
It's proximity—to conflict, to community,  
to power, and to pressure.

Every woman holding a leadership seat knows:  
**This is political. This is personal.**

These affirmations are here to steady your voice,  
ground your energy, and remind you what's true,  
especially when the noise is loud and  
the stakes are high.

Post them. Speak them.  
Pass them to another woman holding the line.

Because you're not just surviving leadership.

*You're leading it.....on your terms.*

*Let's get started!*
